**Career Awards at the Scientific Interface (CASI)**  
**Annual Progress Report Cover Page**

CASI annual progress reports *are due by October 1*. A letter from your sponsor or the Sponsor's Annual Letter of Evaluation abbreviated form (provided online), is part of the progress report and is due by the same date. *Failure to submit both portions of the report by the due date will result in an interruption of your funds*. Please assure that your report is received by October 1, since late reports inconvenience advisory committee reviewers. Note: The Progress Summary portion of the progress reports must not exceed three typewritten pages using a minimum of 11-point type.
