

**BWF Student Science Enrichment Program**  
**STUDENT FEEDBACK SURVEY COVER SHEET**  
[Revised December 2005]

**Instructions:** Please complete this cover sheet for each set of surveys you send us. This information will help us describe the diversity of project activities. Return surveys and cover sheet to us as soon as you administer them, or at least within two weeks.

**Important:**

- Administer surveys only to groups of students that have participated for **10 hours or more** in the activities described on this cover sheet.
- In the case of projects that have multiple components (e.g., school year and summer activities), the Student Feedback Survey should be administered at the **conclusion of each component**, even if the same students participate in more than one component.

1. Name of organization: \_\_\_\_\_
2. Name of project: \_\_\_\_\_
3. Contact person: \_\_\_\_\_
4. Phone number: \_\_\_\_\_ E-mail address: \_\_\_\_\_
5. Date the attached surveys were administered (mm/dd/yy): \_\_\_\_/\_\_\_\_/\_\_\_\_

6. If this cover sheet is attached to surveys for a subgroup of participants, please supply the following information.

Name of subgroup: \_\_\_\_\_ Number of students in this subgroup: \_\_\_\_\_

7. If participants were **not** divided into subgroups, how many were served in your project this year? \_\_\_\_\_
8. Number of completed Student Feedback Surveys accompanying this cover sheet: \_\_\_\_\_
9. What subject areas were explored in this project? *Fill in the appropriate circles. Choose all that apply.*

- |  |   |
|--|---|
| <input type="radio"/> Biology          | <input type="radio"/> Environment Science       |
| <input type="radio"/> Chemistry        | <input type="radio"/> Mathematics               |
| <input type="radio"/> Computer Science | <input type="radio"/> Physics                   |
| <input type="radio"/> Engineering      | <input type="radio"/> Other, for example: _____ |

10. Approximately how many hours has the average student participated in this project? \_\_\_\_\_

11. Which of the following kinds of activities did students engage in during this project? *Fill in the appropriate circles. Choose all that apply.* Please indicate the approximate percentage of time spent in each activity. The total may be more than 100%.

- |   | % time<br>spent |   | % time<br>spent |
|---|-----------------|---|-----------------|
| <input type="radio"/> Interacted with scientists      | _____           | <input type="radio"/> Did inquiry-oriented activities | _____           |
| <input type="radio"/> Went on field trip(s)           | _____           | <input type="radio"/> Used technology                 | _____           |
| <input type="radio"/> Did independent project(s)      | _____           | <input type="radio"/> Made presentations              | _____           |
| <input type="radio"/> Did hands-on science activities | _____           | <input type="radio"/> Explored science careers        | _____           |
| <input type="radio"/> Other, for example:<br>_____    | _____           |   |                 |
